

NEUROPSYCHOLOGY PARTNERS, PLLC

LICENSED CLINICAL NEUROPSYCHOLOGIST

**NEUROPSYCHOLOGY
PARTNERS**

Ann Arbor, Michigan | Full-Time & Contract Opportunities

\$125,000-\$150,000 Full-Time Salary | Performance-Based Bonus Opportunities

Join a Growing Neuropsychology Practice

Neuropsychology Partners (NPP) is seeking a Licensed Clinical Neuropsychologist to join our growing practice in Ann Arbor, Michigan. This position offers an opportunity to join an established practice providing comprehensive psychological, neuropsychological, and forensic evaluations.

Both full-time employment and contract opportunities are available. NPP offers highly competitive compensation, performance-based bonus opportunities, and opportunities for teaching, therapy, professional development, and long-term growth within the practice.

Position Responsibilities

- Conduct comprehensive neuropsychological evaluations.
- Conduct psychological evaluations, clinical interviews, and diagnostic assessments.
- Interpret neuropsychological and psychological test results.
- Prepare comprehensive evaluation reports and provide patient feedback and recommendations.
- Conduct forensic evaluations.
- Collaborate with physicians and other healthcare professionals.
- Provide therapy based on clinician interest and experience.
- Participate in teaching and professional education opportunities.

Qualifications

- PhD or PsyD from an APA-accredited doctoral program.
- Completion of an APA-accredited internship.
- Full licensure as a psychologist in the State of Michigan.
- At least two years of clinical experience beyond an APA-accredited internship.
- Advanced training and experience in neuropsychological assessment.
- Strong clinical, diagnostic, and report-writing skills.
- Excellent professional and interpersonal communication skills.

Compensation & Benefits

Full-Time Salary: \$125,000-\$150,000 per year

- Performance-based bonus opportunities
- 401(k)
- Health insurance
- Dental insurance
- Vision insurance
- Paid time off
- Flexible scheduling

Compensation for contract positions is based on the structure and scope of the contractual arrangement.

Professional Growth

NPP supports the continued professional development of its clinicians. Opportunities may include:

- Support for board certification
- Teaching and professional education
- Therapy services
- Forensic evaluation
- Continued clinical development
- Long-term growth within an expanding practice

COMPLETING POSTDOCTORAL TRAINING?

We are interested in meeting strong candidates who may be approaching completion of their postdoctoral training. For qualified candidates, NPP is willing to consider a future start date that allows time to complete postdoctoral training and meet applicable licensure and experience requirements. NPP also supports clinicians interested in pursuing board certification.

Apply to Join NPP

Interested candidates are invited to submit their information through the NPP Career Opportunities application. Please include your CV and cover letter.

Candidates may also submit their CV and cover letter directly to:
